Commercial Pricing

These prices include standard image processing to provide a disc of images, both in high-resolution format for use in printed marketing materials, and low-resolution format for use on websites or in emails.

Our commercial day rate is £495 based off a 7-8 hour working day.

Expected output: approximately 50-60 high-quality commercial images

Our commercial half-day rate is £295 based off a 3-4 hour half day.

Expected output: approximately 25-30 high-quality commercial images

Additional time is charged at £75 per hour or part thereof.

Mileage is charged at 45p per mile.

More complex work spanning several days can be negotiated on an individual basis.
