## Terms and Conditions - Portrait Photography

### **Portrait Session Fee**

The portrait session fee is payable at the time of booking to secure your photo shoot. This can be paid by cheque, cash or bank transfer. Please make cheques payable to Byrom Barr.

### **Cancellation and Postponement**

If Byrom Photographics is forced to cancel the session for reasons beyond their control, their liability shall be limited to a full refund of all monies paid. If you cancel the session you will receive an unconditional refund until 7 days prior to the booked session, after which point the full session fee will be retained by Byrom Photographics.

If you wish to postpone the session, then in the event of Byrom Photographics being able to book a new client for the original session, the full fee can be applied to your new booking.

### **Adverse weather conditions**

If you have booked an outdoor shoot and prevailing weather conditions mean that the shoot cannot take place (for example because the chosen location is unsafe or inaccessible), the photographer may suggest an alternative location, or re-book your shoot for the earliest mutually convenient date.

### **Image manipulation**

Minor retouching is a part of the service offered, but the significant alteration of images may incur an additional charge based on time taken. In this case, costs will be agreed prior to the commencement of any retouching work.

### **Viewing your pictures**

Depending on your circumstances and requirements, the photographer will present your digital images to you in person and/or make them available for viewing via a CD or DVD of copyrighted, watermarked images.

### **Products and pricing**

The Byrom Photographics standard price list is adjusted periodically, and orders will be charged at the prices in effect at the time the order is placed. Special offers may be made available from time to time at the discretion of Byrom Photographics, and any such offers may be withdrawn at any time without notice. Payment for products ordered shall be due when the products are ordered.

### **Delivery of images**

Byrom Photographics will make every attempt to deliver the images to the agreed timescale. However in the event of this not being possible due to circumstances beyond the control of Byrom Photographics, any liability shall be limited to the refund of fees paid.

### **Ownership, copyright and reproduction of photographic images**

Pictures are supplied on loan, and no ownership or reproduction rights pass to you unless requested by you and confirmed in writing by Byrom Photographics. This means that images created by Byrom Photographics may not be copied, scanned or otherwise reproduced by any person or machine other than the photographer or their appointed agents. The sole exception to this is that where the digital images are purchased. In this case you may make unlimited reproductions for your own personal use, but you are not entitled to alter or manipulate the images in any way. No images supplied by Byrom Photographics may be used for any commercial purpose, including advertising and any other promotional purpose, without the express written permission of Byrom Photographics.
